Re: Beard et al. v. McDonald's Corporation et al., No. 14-cv-1664

Dear Magistrate Judge Reyes:

As further described in the attached Stipulation, the parties have agreed to extend the stay of litigation proceedings to accommodate a mediation that could not be scheduled until September 10, 2015. To that end, attached is a proposed Stipulation extending the stay of all litigation proceedings, including discovery, and adjusting scheduling deadlines.

We respectfully ask that the Court enter the parties' agreed Stipulation.

Respectfully submitted,

/s/ Wendy C. Butler
